Old Business

1. Prison Art Show CVB grant application update: Theresa
Thank you to those who participated- Danielle and Teri, Matt
Application turned in 30 July 2020. Winners notified by mail or email by 1 Sept 2020.
Next: Sending invitations to 3 prisons- USP, DB, LCF. Anyone know first name of USP
Warden _____ Courtney will find out and let TC know.

2. Main Street: Paint the doorways project.

Want to proceed with project this fall. Will be required to turn in concept sketch.

Wendy waiting for historic council to approve some of the buildings being considered.

3. Gala: To have or not to have, that is the question.....
Options at this time, with much unknown.
 1. Cancel altogether, keep theme for next year.
 2. Social distancing and masks- no refreshments, wine, etc
Would need to create corridors for people to stay socially distanced and
avoid clusters. With less sitting tables, more space to spread out. #60 in
Banquet room, #45 in Kansas room, =105 people total
 3. Virtual fb slide show, set up in KS room, with us taking shifts, 9am-12n for
example, for sales for one week.
 4. Zoom party- maybe a crazy time 11pm-1am. Mini interviews with artists,
Judges remarks, the band chiming in from Rik's house.
(We are artists- we can think creatively about how to do this differently and
interestingly and with flair and energy).

Options discussed. Will wait until Sept mtg to vote. Of note, Christmas Market held at
RFCC on Sat after Gala has already cancelled. This would be closest event in sales and
numbers of people attending.
