Theresa's Lung cancer, FYI

I will start chemo/radiation combination therapy the first week of March.

Other members may need to step up temporarily to lead meetings or programs.

While these are the current position holders, I hope all will pitch in if needed.

I expect treatment to last 8 weeks, then re-evaluate. Mar 1-Apr 30 or so.

Libby is our Treasurer and purchasing agent.

Danielle is our Webmaster. Courtney is our Social Media Manager.

Alan is our second signer on official Assn paperwork and liaison with Scotty.

Danielle presented a demonstration on how to access the LCAA website and fb page. This really helped me and I am very grateful.
